I believe this is the latest we were working on.

Also, Mia is working on a similar RTC. I forwarded the email to you yesterday.

Hi Omar and Douglas,  
Congrats on getting the BA out today (hopefully)! I forgot to ask you the other day, where are we on the ESA comments and responses? It's been a while since we've discussed that document so just checking in. Hopefully, all of the ESA responses should be pretty straightforward but let me know if you need my review.  
Thanks, Kimi
